“ To the Washington Family We are truly sorry to hear about the recent passing of Yolanda Washington. Our thoughts and prayers go out to the family and friends during this time of great sadness. May the family and friends please draw comfort mercy and comfort from the many wonderful promises that God makes known to all. (2 Corinthians 1:3-4) Yes God has revealed to all generation that He would soon swallow up death forever. (Isaiah 25:8) Not only would He bring death to its end, but He would also remove all forms of sicknesses and again from away from His earthly family. (Revelation 21:3-4) There is however another promise that God wants all to be made aware of. That promise deals with the restoring of life back to those who have died. That promise is recorded at John 5:28-29 and Acts 24:15. The two latter text tells us about God purpose to restore life back to those who have died. Just imagine in future days ahead of us, that we witness with our very eyes our love ones standing us in life again. Yes God is the source of life for all living things. (Psalms 36:9) Even if a person dies, His life can be restored back to His by God. Today all of us can build up our trust in this arrangement by reading the nine accounts in the Bible that speaks about this grand blessing that is near at hand. Here is just one such example that is recorded at Acts 9:36-42. I hope that all will get a chance to see how these verses apply to Yolanda, and a great host of others who await the resurrection blessing from God. In closing we say please keep this promise of God near your heart at all times. Remember that when God makes a promise it always becomes reality. For it is impossible for God to lie. (Titus 1:2)
