“ I remember when we were children, Benny would give us money to go to the store. We were so excited! When Tim & I visited him & Ella in Springfield or Denver, he would go get his picture albums. He was so proud of them & I would just enjoy the pictures & see his face light up as he explained each one in details. He will be missed!

“ Benny, Father,Dad and Jazz, was our provider. He brought decipline and respect to the dinner table. He helped raise 9 kids. If we did something wrong, we got a whooping not a spanking and he would tell us to dry it up. Nobody wanted a whooping from Benny. I remember, Dad will pick me up from a late high school track meet about 2 or 3am. Some of my teammates had to walk home, and Often we had to give them a ride home.He bought me my first car a 1974 Buick Lasabra for 1000 dollars. Many times, he would take me an a classmate to Western Illinois University where I attended college. Thanks Dad for everything. Love,Son Greg
