“ Aunt BeBe always made me feel seen and loved. She found something we could connect on and there was a safe place for me in her presence. She reminds me so much of my grandmother (her dear mother). I pray they are together again. Your eldest niece, Meka

“ Hey BB....it's me Mimi....well BB.... I'll miss you and will be praying that you rest in peace. There's another important point I need to have you know. I really appreciate your giving spirit of caring for others. BB, the times we have shared discussing "handbags" I am grateful that God allowed for you to care. Thanks BB, I will miss you
